ROBERT SILVERSTONE NAMED AMONG “THE TOP 100 MINDS ON PERSONAL DEVELOPMENT”

Los Angeles, CA—*Leadership Excellence Magazine* has named “The Top 100 Minds on Personal Development for 2007” in its December 2007 issue. Ranked at number 48 on their list is Robert Silverstone, a certified professional coach, seminar leader, founder of The GROW Principle, and author of the recently released e-book, *Grow Your Relationship with Money*.

“While being named one of the ‘Top 100 Minds on Personal Development’ is obviously personally satisfying,” said Silverstone, “My greatest pleasure comes from knowing that The GROW Principle and its application to areas such as money, relationships, self, and careers, has unlocked intentional and sustainable growth and truly changed the lives of many for the better.”

Leadership Excellence Magazine used eight criteria to rank their “100 Top Minds” on the personal side of leadership, including preparation, character, principles, personality, performance, experience, expression, and influence.
